SPONSORSHIP BROCHURE

About Us

The American Institute of Chemical Engineers (AIChE) is the world's leading organisation for chemical engineering professionals, with more than 50,000 members in industry, academia, and government from over 100 countries.

AIChE BITS Pilani Student Chapter is dedicated to providing its members with experiences beyond the usual classroom education. As a professional society, we arrange opportunities for students to build a network of contacts in academia and in industry. We participate in different competitions held worldwide!

Our Vision

Dive into core Chemical Engineering and explore aspects of it

Building formal, teamwork and soft skills for better adaptability

Spread the spirit, relevance and importance of Chemical Engineering

Sponsorship Team

K-12 Team

Encourage School students about STEM programs!

Public and Relations team

Improve our publicity to a better reach!

Event and Management Team

Organise our all wonderful events!

Web Development Team

Chem-E-Car Team

We make a car that starts by chemical reactions!

Sister Chapter Team

We collaborate with foreign AIChE chapters!

Research and Development Team

We delve deeper into STEM concepts to come up with amazing ideas!

Our Events

We organise over 30+ events every year!

APPLICATIONS OF
AND DEEP LEARNING
IN CHEMICAL
INDUSTRIES

AIChE Annual Student Conference is six days of career information, social events, competitions and fun. Student engineers from more than 200 schools celebrate the Chemical Engineering profession, along with young professional members, AIChE leaders, and industry professionals from numerous engineering specialties!

 VIRTUAL

2021 AIChE® Student Regional Conferences

AIChE
Scale

K-12 outreach is a global outreach program to increase the awareness about STEM subjects among school students.

In Collaboration with AIChE AISSMS COE we conducted K-12 outreach program. A total of 200 students registered with us for the event. We were honoured to have our guest of honour Dr Suresh Gupta, recipient of the prestigious DST Young Scientist Project Award from the Govt of India!

AIChE's annual Chem-E-Car Competition engages college students in designing and constructing a car powered by a chemical energy source.
